## DESCRIPTION

### **Designed for living**

Tonic II is more than just a beautifully designed range to wow and entice. It's a range perfectly tailored to make your life easier. Each product is carefully considered to make using your bathroom space all the more enjoyable. Vessels and vanities, toilets with new Aquablade® flushing technology or rimless options and bidets: the luxury pieces come in different sizes and the basins are available with the addition of a coloured rim to match your chosen furniture colour palette. Whatever your space or individual tastes, you're sure to find a solution from within the Tonic II range.
